WWW.LAD-CO.COM

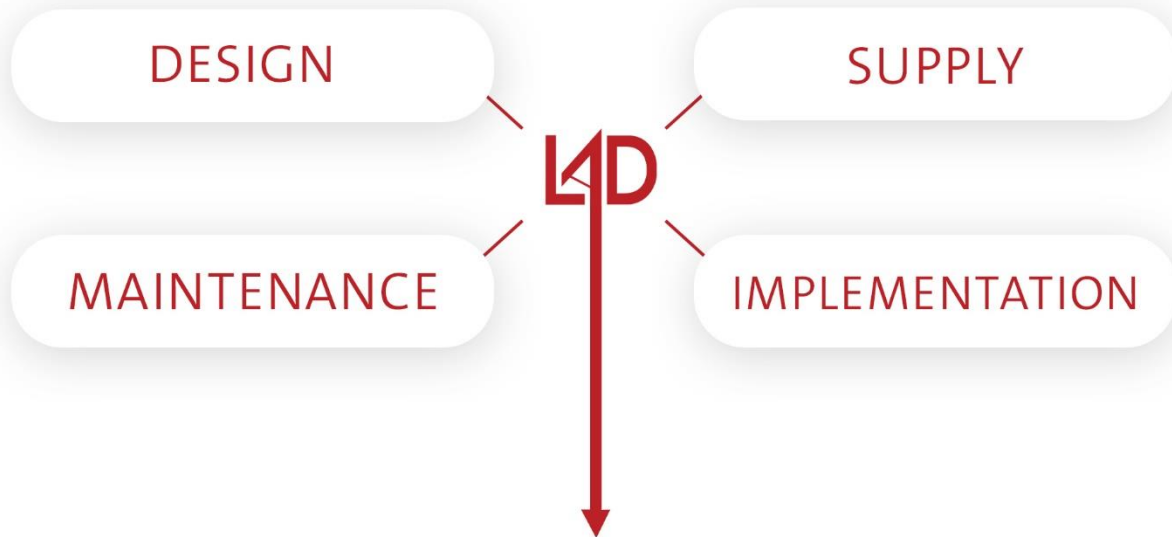

— OBJECTIVE

Lad is one of the biggest Electrical companies in Iraq. Our company was found in 2015, since then we have been one of the greatest suppliers of electrical service in Iraq, we are known for our professional engineering team in electrical field, **what sets us apart from other companies is importing electrical products from authorized and well- known brands and becoming their official distributor in Iraq.**

— OUR GOAL

We offer the highest-quality systems and products for your project. our skilled staff of engineers implement the systems and products on demand. Lad's goal as a flawless team of experienced engineers is to deliver an ideal electrical system, supplying a life that is safer and more secure in light of the potential dangers and damages associated with the electrical industry.

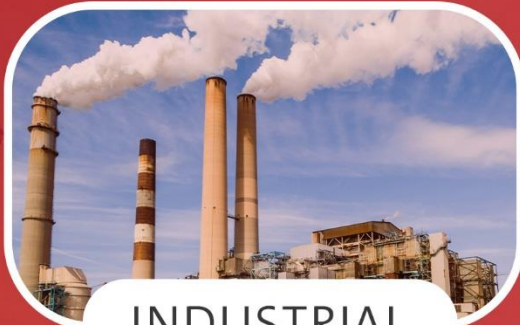

WHAT WE CAN DO ?

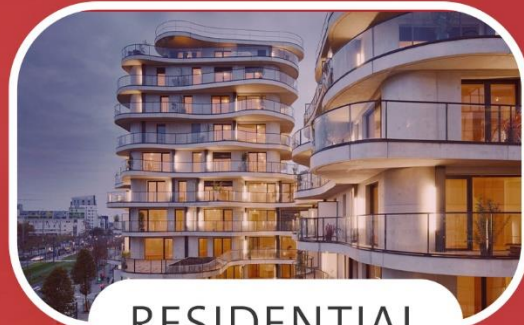

WHAT WE OFFER ?

- FREE DESIGN BASED ON ENGINEERING AND UNIVERSAL STANDARDS.
- SUPPORT UP TO 10 YEARS.
- GUARANTEE UP TO 5 YEARS.
- MAINTENANCE.
- FREE TRAINING COURSES.
- OUR TEAM WORKS 24\7.

SKILLS

- **Design:** Designing power systems, fire alarm systems, lightning and grounding systems, electrical panels, Lighting packages and security systems for All type of Residential, commercial and industrial projects.
- **Supply:** Supplying well-known and high-quality brands with latest and best technology based on the universal standards.
- **Installation:** Installation of electrical packages, fire alarm system, security and grounding systems for all types of projects.
- **Maintenance:** our Experienced and knowledgeable team capable of maintaining series problems and faults that occurs in electrical systems.

FORMAL BRAND

OLYMPIA ELECTRONICS

for a safer world!

European
manufacturers

European manufacture, a Greek leader in the electronic safety and security industry, providing high-quality products is our biggest goal, with Olympia electronics manufacture we have gained that goal and provided the highest quality materials produced by Olympia electronics for different projects, Olympia is known for variety of products with different specifications, different options with long-term service and quality.

We are the formal distributor of Olympia electronics in Iraq, All Olympia electronics product is available in our stock, all services are available for 24/7. <https://lad-co.com/olympia-electronics/>

PRODUCTS:

- Fire Detection
- Thermostats
- Emergency Lighting
- General Purpose Devices
- Marine Products
- Burglar Alarm Systems
- Gas Detection
- Hotel Access - Card Switches
- Electric Insect Traps
- Addressable Emergency and Exit luminaires system

AIDITEC SYSTEMS

we are formal distributor of Aiditec system in Iraq and our professional engineering team can design and implement desired system in the best way. using our products decrease the dangerous level to 0%, we are focused on exceptional service and quality; we have provided insurance in case of natural causes relying on Aiditec products.

PRODUCTS: <https://lad-co.com/aiditecsystems/>

- ESE LIGHTNING RODS
- PASSIVE RODS
- ACCESSORIES
- MEASURING DEVICES
- Surge protection devices: INTERNAL PROTECTION

GENERAL ELECTRIC

The General Electric Company (GE) is an American multinational company. For more than 130 years, GE has invented the future of industry. Today, GE is best known for its work in the Power, Renewable Energy, and Aerospace industries.

Our stock includes a comprehensive range of GE products, such as low voltage products e.g. MCB, MCCB, ACB, contactor, thermal over load, change over switch and phase failure, all of high quality.

EAE ELEKTRIK

EAE Elektrik:

EAE is Multi-company that works in different areas of electrical service, we have a great partnership for so many years with EAE electric, , we were the first Iraqi company who provided and installed medium voltage busduct for the first time, one of our big projects was supplying, and installing 24kv, 4000A busduct for Delta Cement factory.

we are capable of providing, Designing, and installing All EAE systems and features on time, we can offer the best service and guarantee with the highest quality of all time.

Products: <https://lad-co.com/eae/>

- Busbar systems
- Cable trays
- Fit-Out solutions
- Trolley busbar systems
- Support systems
- Lighting system
- Electrical Panels

MULTITEK

Multitek

<https://lad-co.com/multitek/>

Multitek is one of the biggest companies of supplying smart intercom systems in Turkey, we can provide all Multitek models for home, villas and apartments, with the advanced feature of adding additional door panels, cameras, apartment monitors and smart home devices to the system according to your needs, control them all through the same mobile application and apartment monitor:

1. Intelligent Connectivity
2. Multi-Functional Interface
3. Scalability and Flexibility
4. Enhanced Security
5. Integration Capabilities
6. High-Quality Audio and Video
7. Remote Management

PRODUCTS:

- **Cloud IP intercom:** Multitek Cloud Intercom is a mobile intercom product where you can control all intercom, smart home and security alarm features via your mobile phone. Never miss a visitor again! (Apartment, vella, security)
- **Android IP intercom:** (IP room monitor, IP door panel, IP security console)
- **Smart Home Devices:** (smoke, gas, heat detector)
- **Linux IP intercom:** Linux room monitor, Linux door panel, Linux security console.
- **Multibus Diyafon:** multibus room monitors, multibus door panels.

METAL LUX LIGHT

It produces lighting articles according to a deep-rooted lighting tradition and uses only 100% Made in Italy raw materials, from production to distribution. <https://lad-co.com/metal-lux-light/>

Chandeliers, pendant lamps, ceiling lights, floor lamps, table lamps and wall lights are carefully crafted and convey the design and quality typical of a 100% Made in Italy product.

<https://lad-co.com/metal-lux-light/>

OZCAN

Turkish brand, one of the biggest companies of modern lighting products (Chandler, pendant, table lamp floor lamp etc.), Ozcan designs, manufactures and provides lighting product all over European countries, As Lad company we have been supplying special and luxurious Turkish lights all over Iraq.

E-LIGHT SEMICONDUCTOR

E-Lite has been a vibrantly growing LED lighting company, manufacturing and supplying dependable, efficient, high-quality LED lighting products to address the needs of wholesalers, contractors, specifiers and end users, for the widest range of industrial and outdoor applications.

PHILIPS

PHILIPS

Philips brand is licensed to Signify, world leader in lighting, for lighting products and services. Philips is Signifies primary brand for lamps, luminaires, and other lighting products for both professionals and consumers.

Products: Indoor luminaires, Outdoor luminaires, LED lamps and tubes, Conventional lamps and tubes, LED electronics, Lighting electronics, Lighting controls

AVONNI

Turkish brand, one of the greatest brands of Turkey which have its own factory to manufacture fancy light products.

Avonni has the ability to make chandler on demand for special delivery.

Products:

- Modern chandeliers
- Floor lamps
- Table lamps
- Wall scones

SCHNEIDER

Schneider Electric Brand offers an extensive array of electric switches and sockets, electrical panels tailored to both residential and commercial needs. Known for their cutting-edge design, superior functionality, and robust construction, these products ensure safe and efficient energy distribution.

Low voltage products:

- Contactors & Protection Relays
- Motor Starters
- Panelboards & Switchboards
- Universal Enclosures
- Power & Energy Monitoring System
- Power Circuit breakers & Switches
- Power Quality and Power Factor Correction
- Push buttons, Switches, Pilot Lights, Control stations & Joysticks

Medium Voltage Distribution and Grid Automation:

- Energy Management Software Solutions
- Feeder Automation
- Medium Voltage Switchgear
- Medium Voltage Switchgear Components
- MV Transformers
- Outdoor Equipment
- Power & Energy Monitoring System
- Protection Relays by Application
- Protection Relays by Range
- Substation Automation Systems

■ ABB

ABB Group is a power and automation company based in Zürich, Switzerland. It is one of the world's largest engineering multinationals with operations in around 100 countries. The company has five divisions: Power Products, Power Systems, Discrete Automation & Motion, Low Voltage Products and Process Automation.

Products:

- o Protection, Distribution & Control
- o Critical Power
- o Installation Products
- o Machine & Motor Control
- o MV air insulated switchgear
- o MV gas insulated Switchgear

WORK EXPERIENCE

Aiditec Projects: Rods and cell sites

- Anwar Shekha Hospital (Rod)
- Sarchnar Accommodation Building
- Raparin Hospital (1 Rod)
- Cigarrete Factory in Mawat (Rod)
- Douz Oil Factory
- Fancy Factory (cell site)
- Hawari Jwani (Rod)
- Daik city
- Qaiwan Tower (cell site)
- Takia Tower (cell site)
- Dukanian Tower (cell site)
- Harwata Tower (cell site)
- Sitak Village1 (3 Rod)
- Germany Village3 (2 Rod)
- Container Café (Rod)
- Central park

Busbar trunking system: Busbar Duct

- Delta cement factory (24 KV, 4000 A) EAE
- Lazo Mall (3200A) EAE
- Daik City building A10 (1600A) EAE
- Erbil Bank (1250A) EAE
- Daik city power plant (Italian DKC)
- Anwar Shekha Medical (city package) (DKC)
- Hawari Jwani (400V, 1250A) (DKC)
- Dilan City (1600A) EAE
- Sulaymaniyah heights
- Central park

INTERCOM SYSTEM

- Central park
- Daik city

Fire Alarm Systems

- Asia Cell towers in Qaiwan and Takia
- Daik city
- Kurdtel
- Korek Telecom tower
- Garden city
- Zain tower
- iCenter
- Dania city Spa
- Dream city
- Darwaza city
- Fire station in Taslwja
- Mamostayan city
- Dilan city
- Fire station in Tanjaro
- Garden city
- Lebanese city(Erbil)
- Fire alarm (conventional) for Sultan nut store
- University of Sulaymaniyah
- Hawary Jwani 2
- Central park
- Sulaymaniyah collage for girls
- Germany Village
- Kirkuk university (nursing department)
- Asoy Gash City

Lighting instruments and electrical panels

Hotels:

- Lawa Hotel
- Sham Hotel
- Wlat Hotel
- Hasty Hotel
- Kat Hotel
- Azadi Hotel
- KORDONIA

Hospitals, halls, others

- Anwar Shekha Medical City
- Hiwa Hospital
- Peshmerga Hospital
- Safin Hospital
- Smart Health tower
- Shameran Pharmacy
- Outdoor lighting for Kurdonia Hall
- Lighting project for Jamal Erfan institution
- Lighting design for Mergapan Restaurant
- Divan Hall in Kirkuk

■ Certifications and Trainings:

- Aiditec Lightning Protection Systems since 2018 for (Lightning and earthing systems).
- Olympia Electronics since 2021 for (Fire alarm systems, emergency and exit lights).
- E-Lite: Lighting products 2022.
- Multitek: (Video door phone system; intercom).2019
- EAE: (Busbar Trunking System, cable tray and electrical panels).
- OSRAM, Philips, Makel, and Golnoor (lighting products).
- General Electric: (low, medium, high voltage Materials).
- Panasonic: (Electrical switches and socket, video door phone system).
- LEGRAD, GEWISS, and Philips: Electrical switches and socket outlets.
- Ozcan, Avoni, and Metalux: Chandelier, pendant and lighting products.
- Technical training seminar (Olympia electronics) for our engineering team on 5/2023.
- Practical management course supervised by Engineering quarantine team for 3 weeks for a group of first graduate students of UOS.

Volunteer Experience

- Hiwa Hospital for medical care to cancer and blood diseases
- training course for universities
- training course for electrical engineering and electrical Technician.

OIL & GAS

Manafz Al Dwaliya:

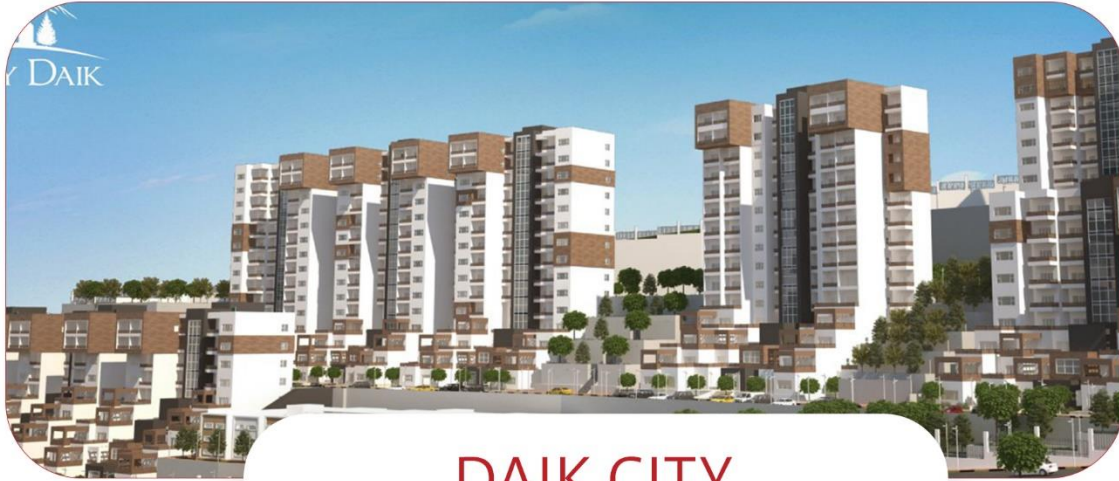

- Cathodic Protection System.
- Lightning Protection System.
- Grounding/Earthing System.
- Lighting Poles and High masts.
- H.V. Cables.

Iraq Energy:

- Cathodic Protection System.
- Lighting Poles and High masts.
- Lightning Projectors.
- Lightning System.
- EX Boxes.
